प्यारि माँ

अच्छी माँ जब मैं
छोटी बच्ची थी माँ की
प्यारि दुमारी थी
माँ तुम हमको दुध पिलाती
माँ तुम हमको पाठ पढाती
माँ तुम मेरी कितनी प्यारी
माखन, मिठाई खाता खिलाती
अच्छी अच्छी कहानिई सुनाती
गुस्सा आए तो प्यार से मनाति
रात को लोरि गाकर सुनाति
माँ तुम मेरी कितनी प्यारि
माँ तुम मेरी कितनी न्यारि

पढने के समय

ये हो गया,
ये हो गया,
ये भी हो गया,
ये तो देखने कि भी जरूरत नहि है।

परिक्षा के समय
ये नहीं आता,
ये नहीं आता,
ये तो कभि देखा हि नही।

परिणाम के समय
इसमे गया....
इसमे गया....
इसमे भी गया....
इसमे तो जाना हि ही था।

GURUKULA VACHI

WELCOME TO THE 2021-22 SCHOOL YEAR!

Gurukula Vidya Kendra prides itself in being a place that supports the positive growth of each and every student. We want all students to experience success and to have a purposeful connection to our faculty and staff. With this year starting out with distance learning due to COVID-19, we are committed to providing both academic and social-emotional supports that our students require as they work from home.

The faculty and staff of Gurukula Vidya Kendra School are committed to high achievement for all students.

"The only thing that you
Absolutely have to know, is
The location of the library"

Science explains how the earth functions and how to make use of natural resources. Science also teaches about the lack of these resources, how it affects living things, and how to conserve them. Information about wildlife and how environmental changes and changes in resources affect them is also learned. Awareness of how to conserve natural resources and affect wildlife can be used for one's whole life. Information about natural disasters and survival skills is also an important part of science. As usual, we have many programs and projects taking place in Science Education to support and research science teaching and learning at all levels.

Mrs. Asha Nair
Co-ordinator

I am delighted and excited to be a part of this school. We at Gurukula Vidya Kendra work, implementing a well-balanced curriculum to ensure that the children who walk into the portals of this school will not just love their school year, but truly be prepared to face life's challenges.

I believe in upholding high standards with an absolute commitment to strive to understand and improve the Educational process using team strategies while wholly centering on student achievements.

A committed and supportive management dedicated teachers, caring and co-operative parents blend harmoniously to create a child centric school. Success comes to those who work hard and stays with those who don't take rest on the laurels of the past.

I am confident enough that the Gurukulites will make themselves stronger day by day, adding a new lift to the grandeur of the school.

Warm wishes and Gods' Blessings!

The Gurukula Vidya Kendra is a dynamic place of learning. We nurture our students to become confident, compassionate, and enthusiastic about the many opportunities that the world has to offer. They become resilient problem-solvers who see the world with discerning, thoughtful and compassionate eyes. They are true global citizens ready to take on the world and accept any new challenges that the world will throw at them. They learn today, so that they will lead tomorrow.

Our impressive school campus, with beautiful and well equipped laboratories. A good space for reading and enriching once knowledge in our 2500+ books will help the child to explore a large range of activities, subjects and will be inspired to develop his/her gifts and talents. While our students gain valuable knowledge and expertise in English, Kannada, Mathematics, Science and Social Studies, they also exercise and develop their talents in Art, Music, Band, Dance and Physical Education to become truly well-rounded students.

Our students SUCCEED because they care deeply about their learning and their community. They want to be of service to those around them and their classroom lessons become life lessons.

I am humbled to be their Principal and I invite you to see what our school has in store for your child. We look forward to meeting you!

Gods' Choicest Blessings'!

LIBRARY

A library is a collection of sources of information and similar resources, made accessible to a defined community for reference or borrowing. It provides physical or digital access to material and may be a physical building or room.

Sidney Sheldon perfectly describes: "Libraries store the energy that fuels the imagination. They open up windows to the world and inspire as to explore and achieve, and contribute to improving our quality of life".

SCIENCE EXHIBITION REPORT

Science exhibition is a platform for students to present their new ideas and learn each other and also an opportunity to find out original thinkers.

Our school Gurukula Vidya Kendra Organized a science exhibition, on a grand scale. Students from V to X classes presented, with a focus on the theme "Swachh Bharat Abiyan".

The exhibition was a light to knowledge we exhibited on the walls. "There were various posters depicting diagrams, pictures, statements and so forth". Through the exhibition students learned how to make our state "Karnataka" as a plastic-free zone. Also, students were fascinated by the new machines and technology like segregate bio-degradable and non-biodegradable waste and dropped into different bins which were on display. All were so happy to fulfill with such scientific knowledge, and would have to visit every year.

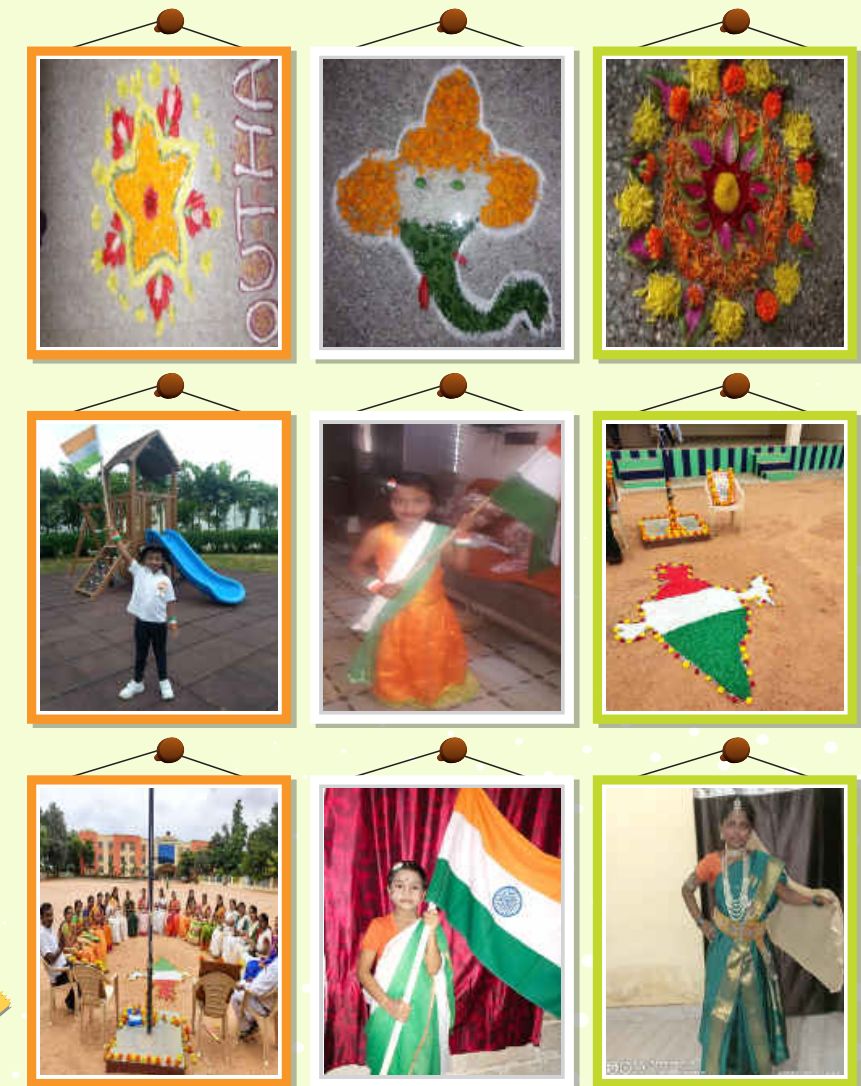

WE welcome you to the GURUKULA Vidya Kendra, we are made up of dedicated professionals and high achieving students. We will challenge, inspire and create a love of learning, whether your child is entering our lower-Kindergarten learning or joining us for secondary sections. Our ICSE curriculum focuses on innovation, creativity and critical thinking skills. This approach to education will best prepare your child for the challenges and opportunities they will face as global citizens. It is our certified teachers that will inspire your child and foster their ability to develop in a safe and caring learning environment. Let Gurukula Vidya Kendra be part of your child's academic journey to success!

ENVIRONMENT DAY CELEBRATION

The students and teachers' of Gurukula Vidya Kendra celebrated the event by attending their online classes in green outfits. The classes were introduced with various information, presentation or videos on the theme for this year "Biodiversity". Students were made aware of the need to conserve the biodiversity of the eco system in order to sustain life on planet earth.

Last night I had a dream
I built a castle with my
hands
And put you in it
But you grew wings
And flew away
And my castle crumbled
But the next day
You returned
And sat amongst the ruins
And told me a secret
Of why birds must fly
And so
I built you
A castle in the sky

ABOUT GIRLS EDUCATION

Girls education plays an important role in human life. Girls Education is essential for the proper social and economic development of the country. Girls education is very necessary for every field for the development of the country. Both men and women move parallel to the two equal wheels in society. Therefore both are important components of development and progress of the country. Educated women can handle their families more efficiently without any doubt. She can make every member of the family accountable by providing good qualities in children. Educated girls are confident. They can take decision on their own and become self-reliant. Educated women will have a better understanding of her body and she will have smaller family and would know about family planning methods better. Girl education was never considered necessary in the previous years. But over the period of time people have realized the importance of a girls education. There are a lot of advantages involved in the education of girls. A well educated and grown up girl can play an important role in the progress of the country.

Friendship is like a
Golden thread that binds
two hearts.....
A feeling that keeps growing
even when we are far apart
No matter where we are.....
I want you to know, you are a
friend I feel ...
Always close to !

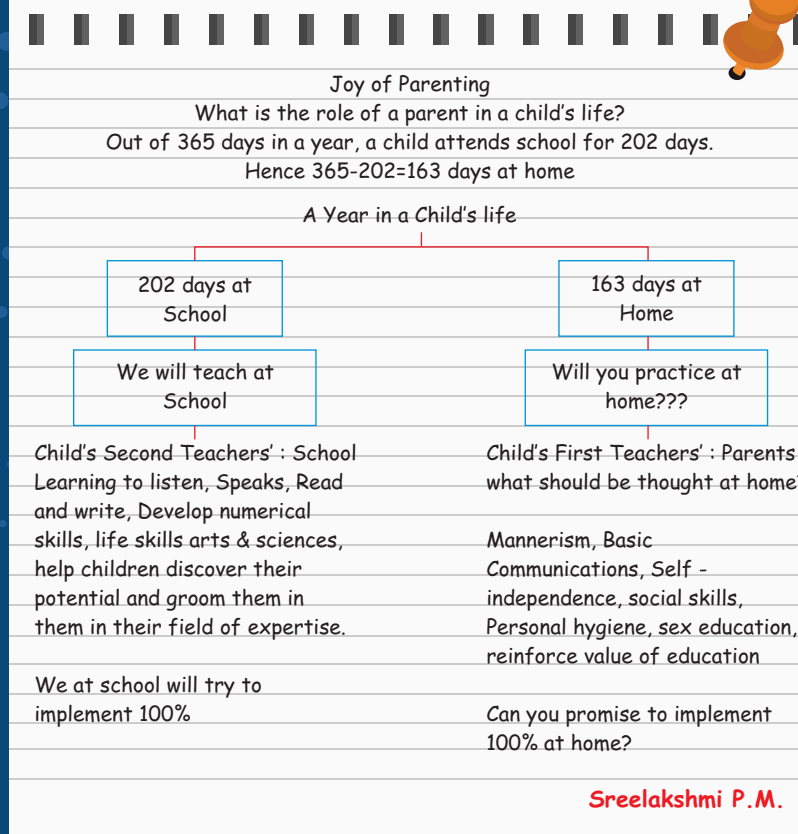

FRIENDSHIP POEM

Oh what joy it is
To have a friend like you
For giving me Strength
The way you do

For lifting me up
When I'm feeling down
And putting a smile on my face
When I'm wearing a frown

Thanks for being there
And helping me grow
Your friendship means a lot
This I'd like you to know

Thank You
